**MODEL:** "Happy Birthday" was stitched on Wichelt's 32-count Linen in "shell." Our wonderful finisher made this special little design into a pillow for giving to a friend for her/his birthday! We stitched it all with DMC floss (2 threads except where noted), Weeks Dye Works and some Kreinik blending filament for a celebration sparkle; feel free to change the colors to suit your sense of design, or the birthday person's favorite colors. We added our baby ladybug, which you can get from your LNS! *ENJOY and HAPPY STITCHING!*
